

QS CRAWLER

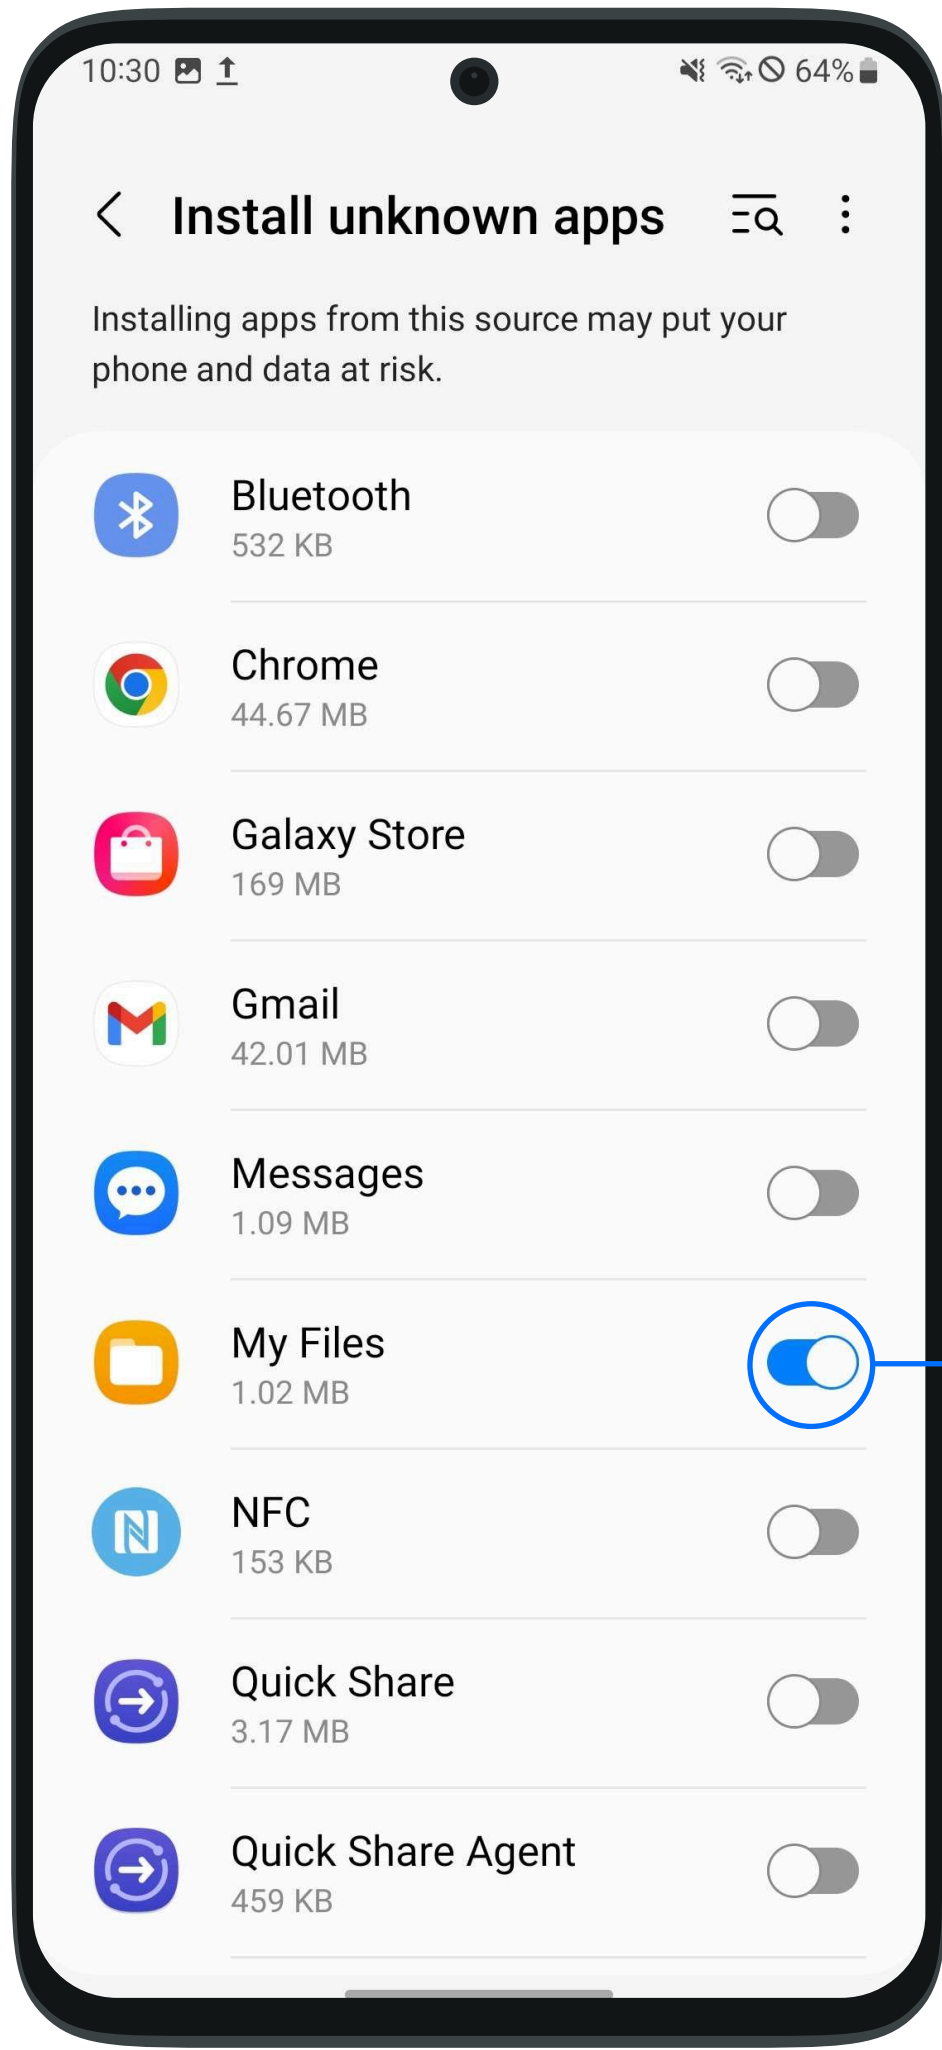

User Manual

1 — Install QS-Crawler

Download QS-Crawler via the provided QR code. Allow your phone to install unknown apps. Then, install QS-Crawler.

1 - Open Settings

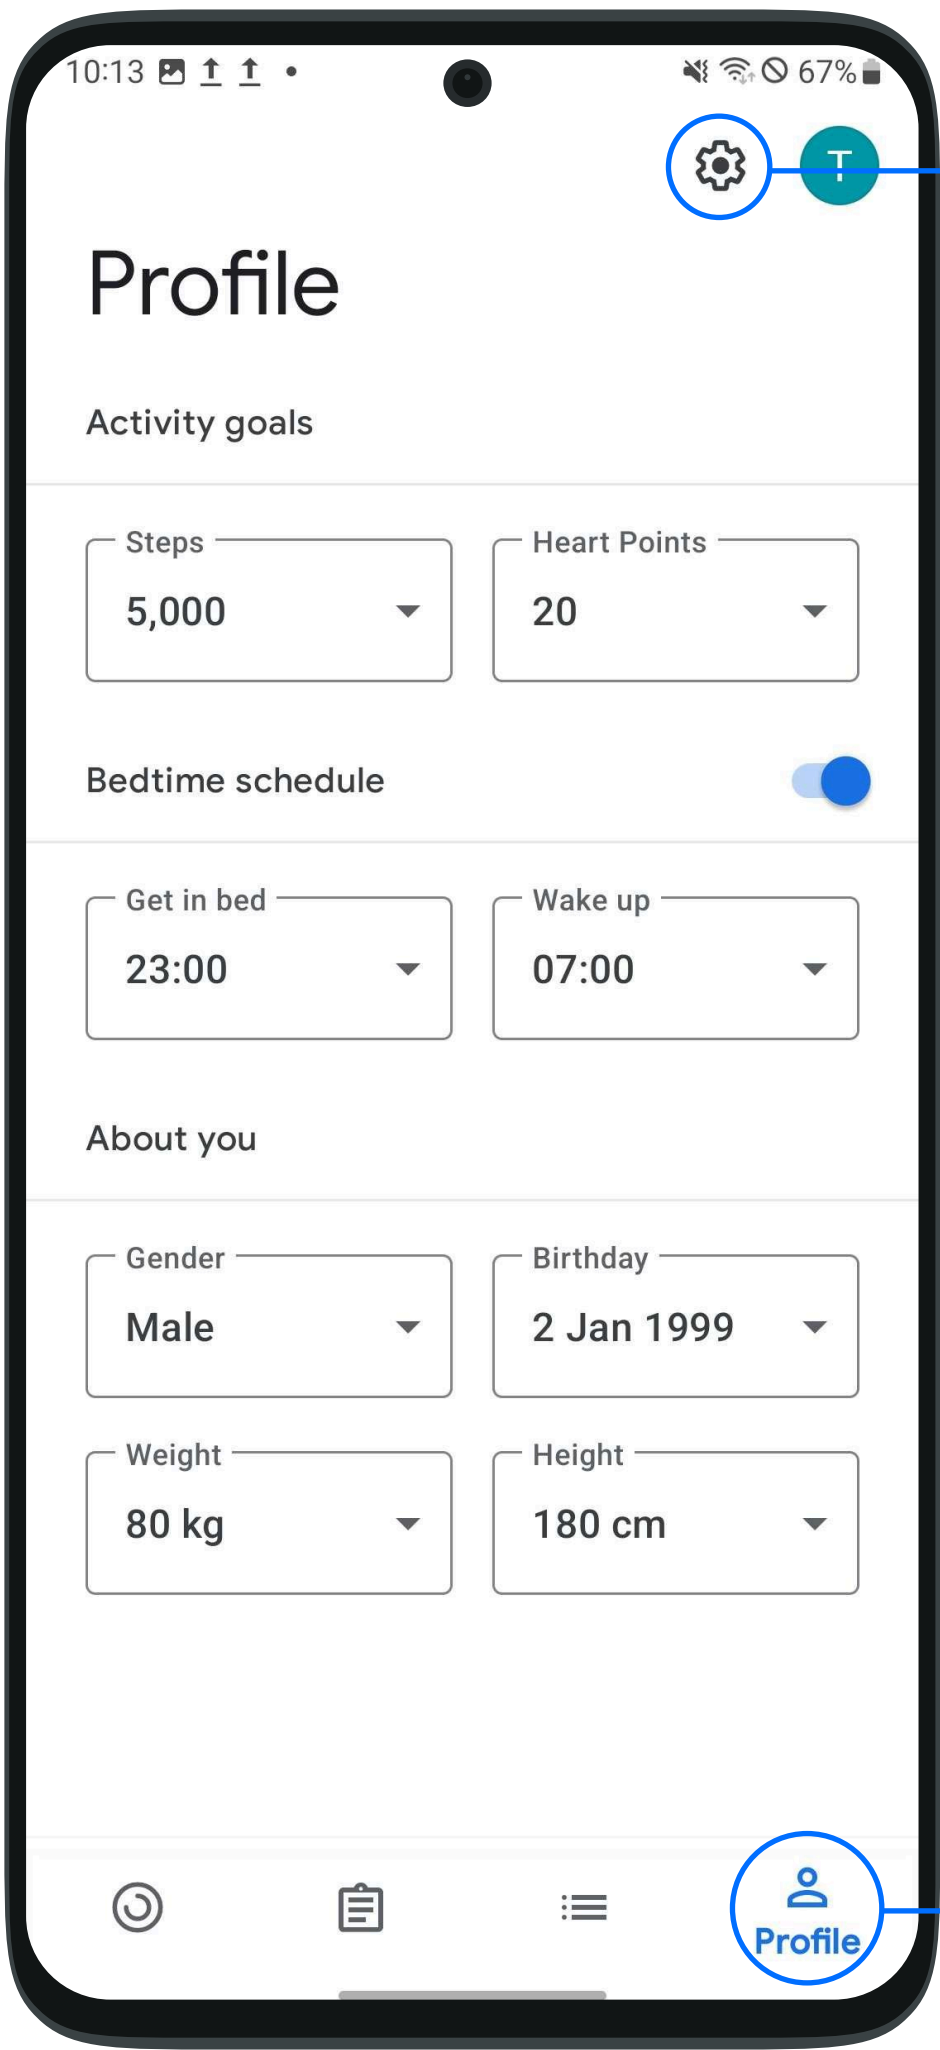

2 - Allow to install unknown apps from 'My files'

Download the latest QS-Crawler APK.

2 — Setup Health Connect

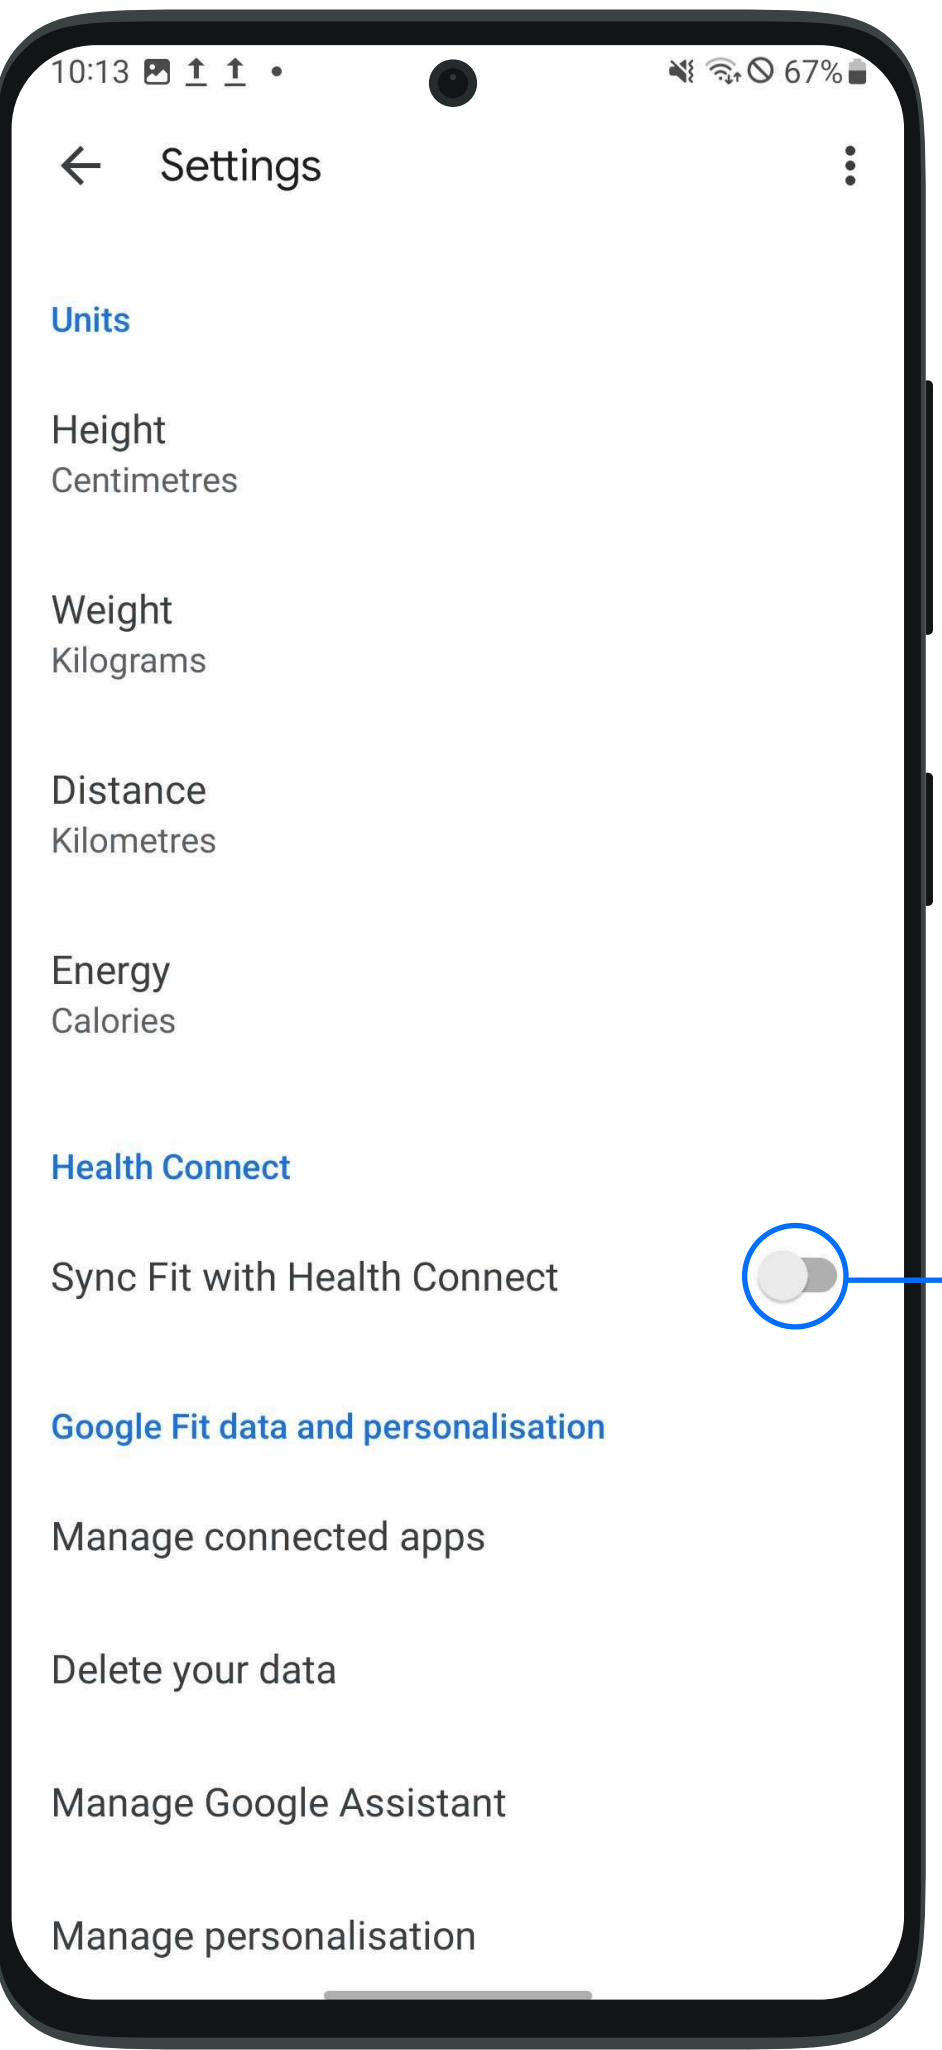

To get your health data, you must use Health Connect. To get started, make sure your health app syncs with Health Connect.

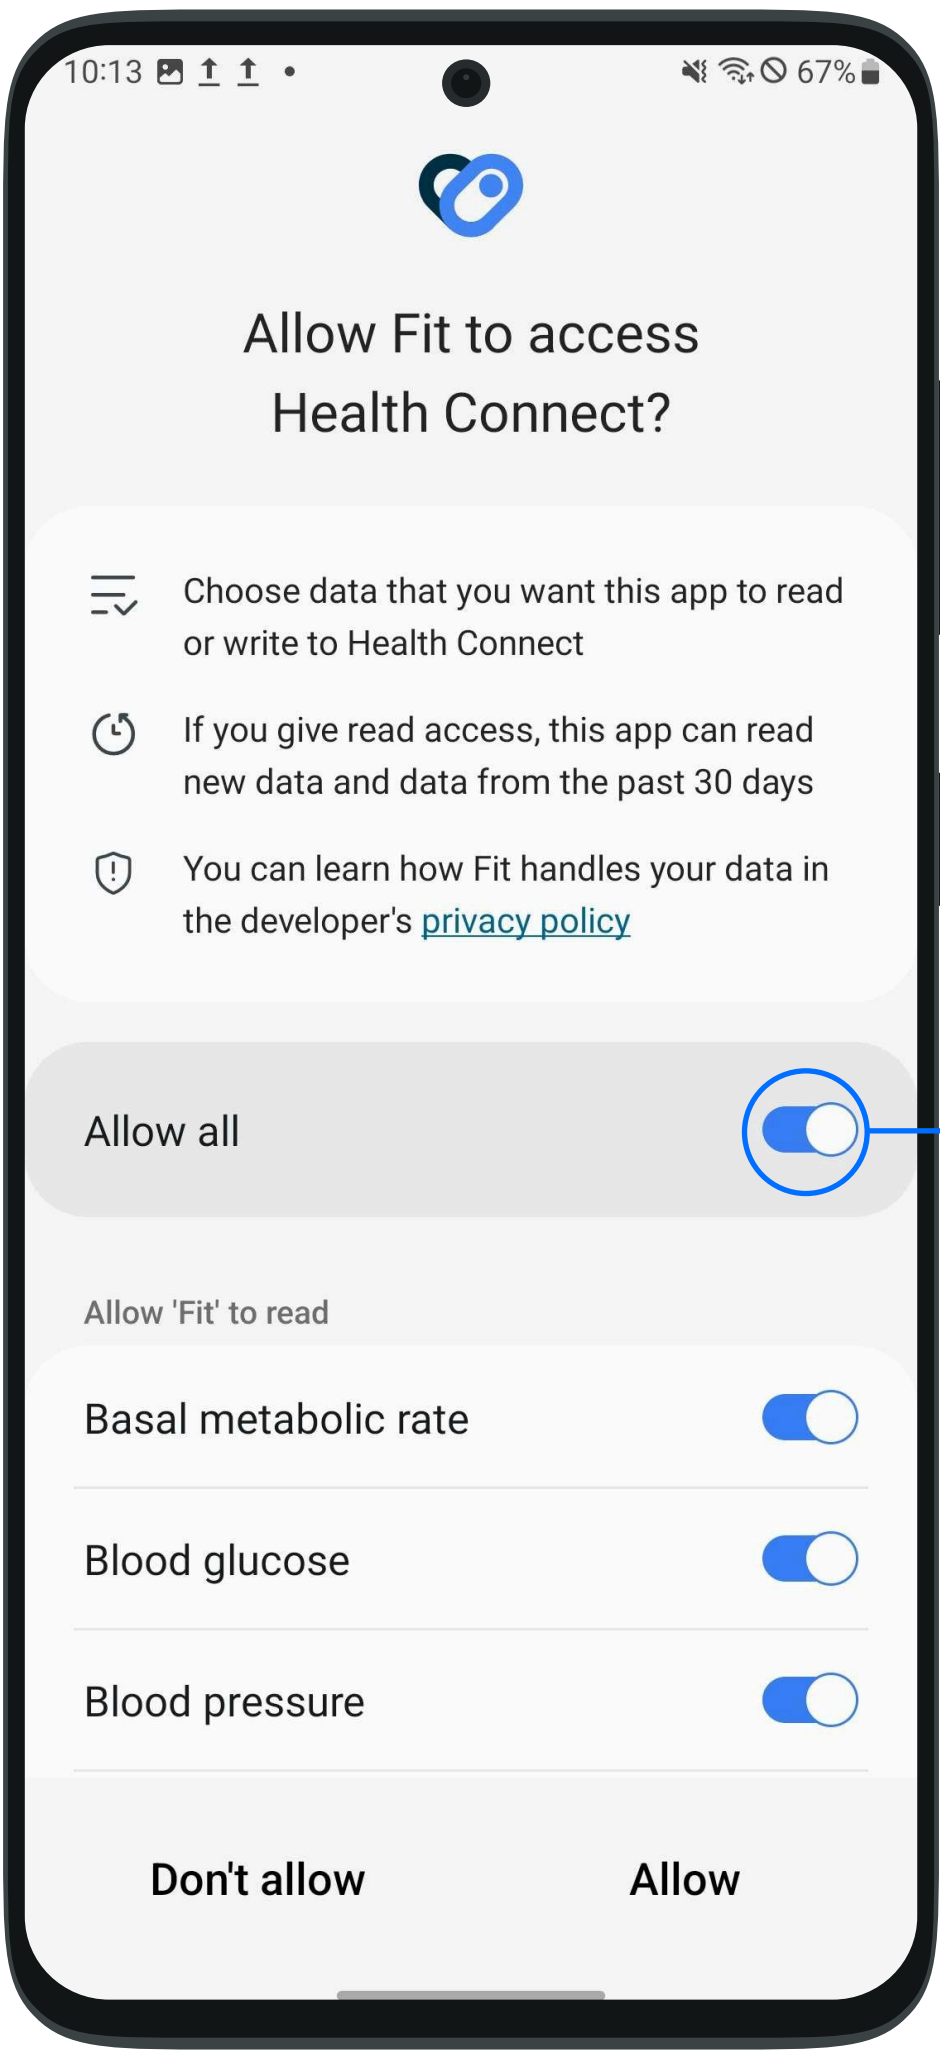

1 - Go to Profile

2 - Open Settings

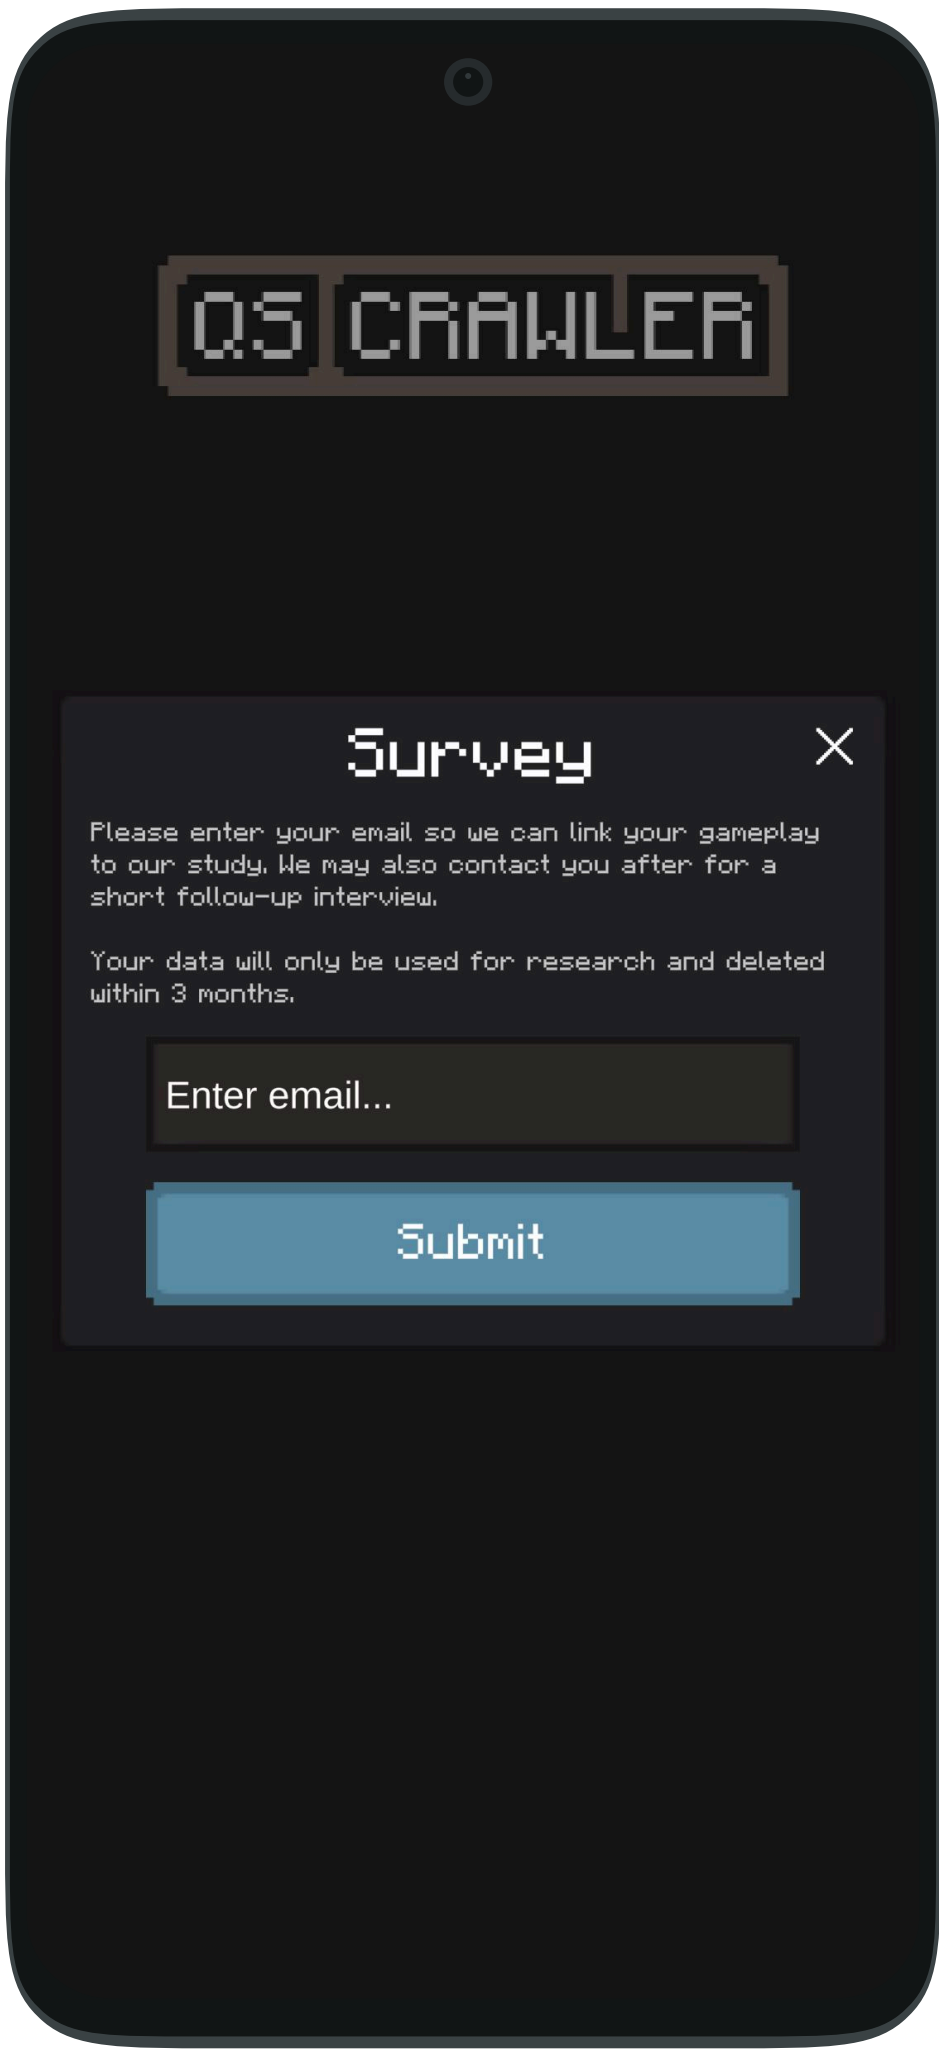

3 - Click 'Sync with Health Connect'

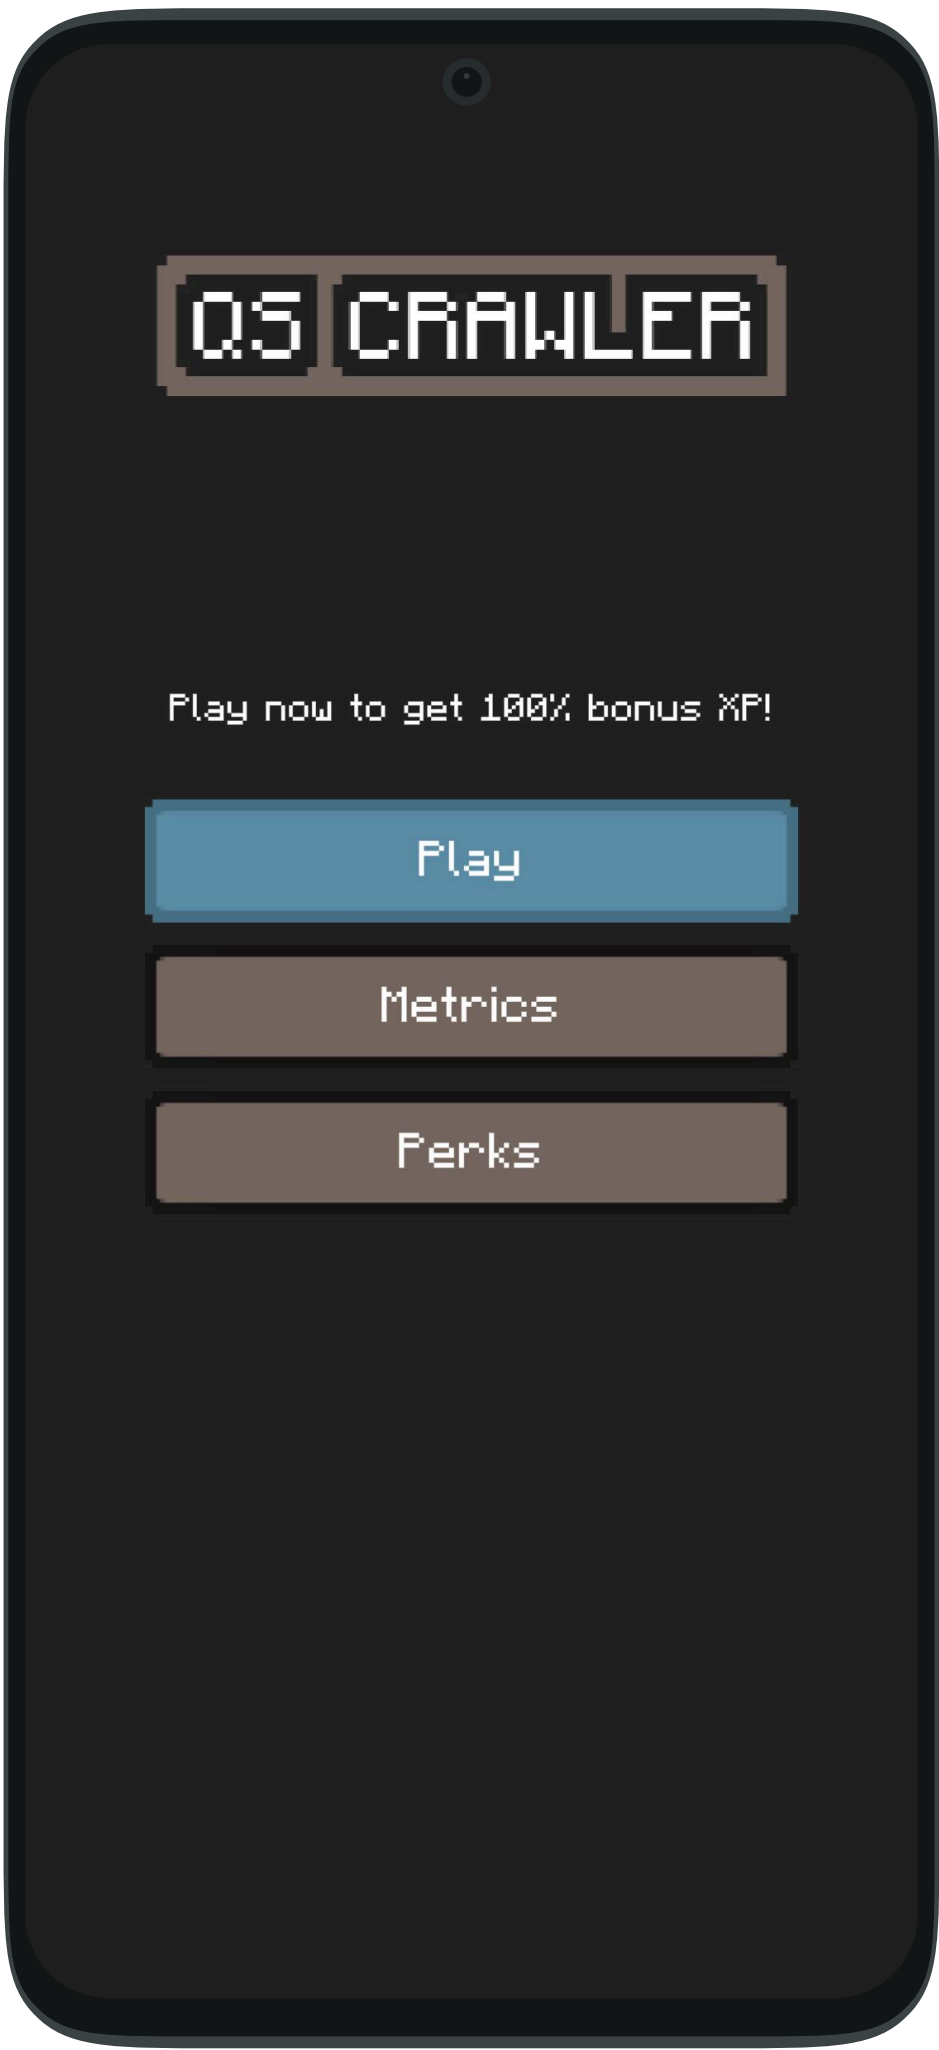

4 - To give data access, click 'Allow all'

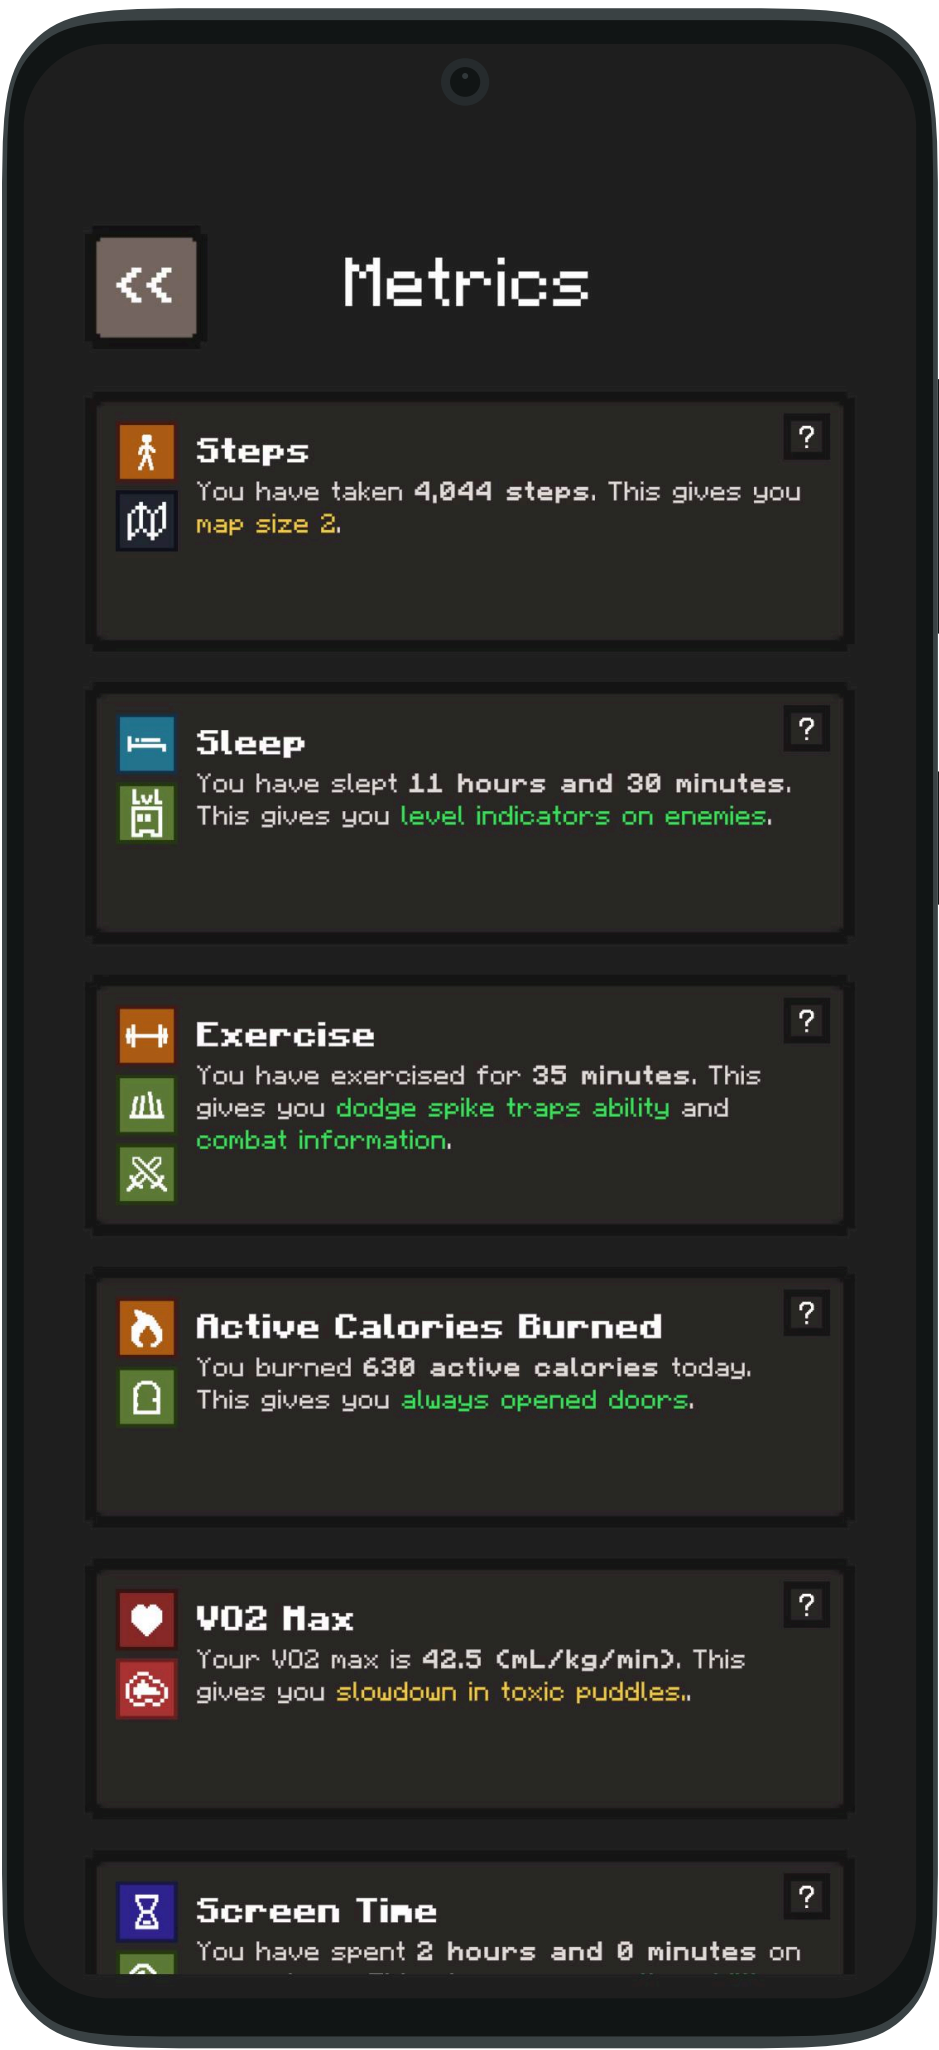

3 — Basics

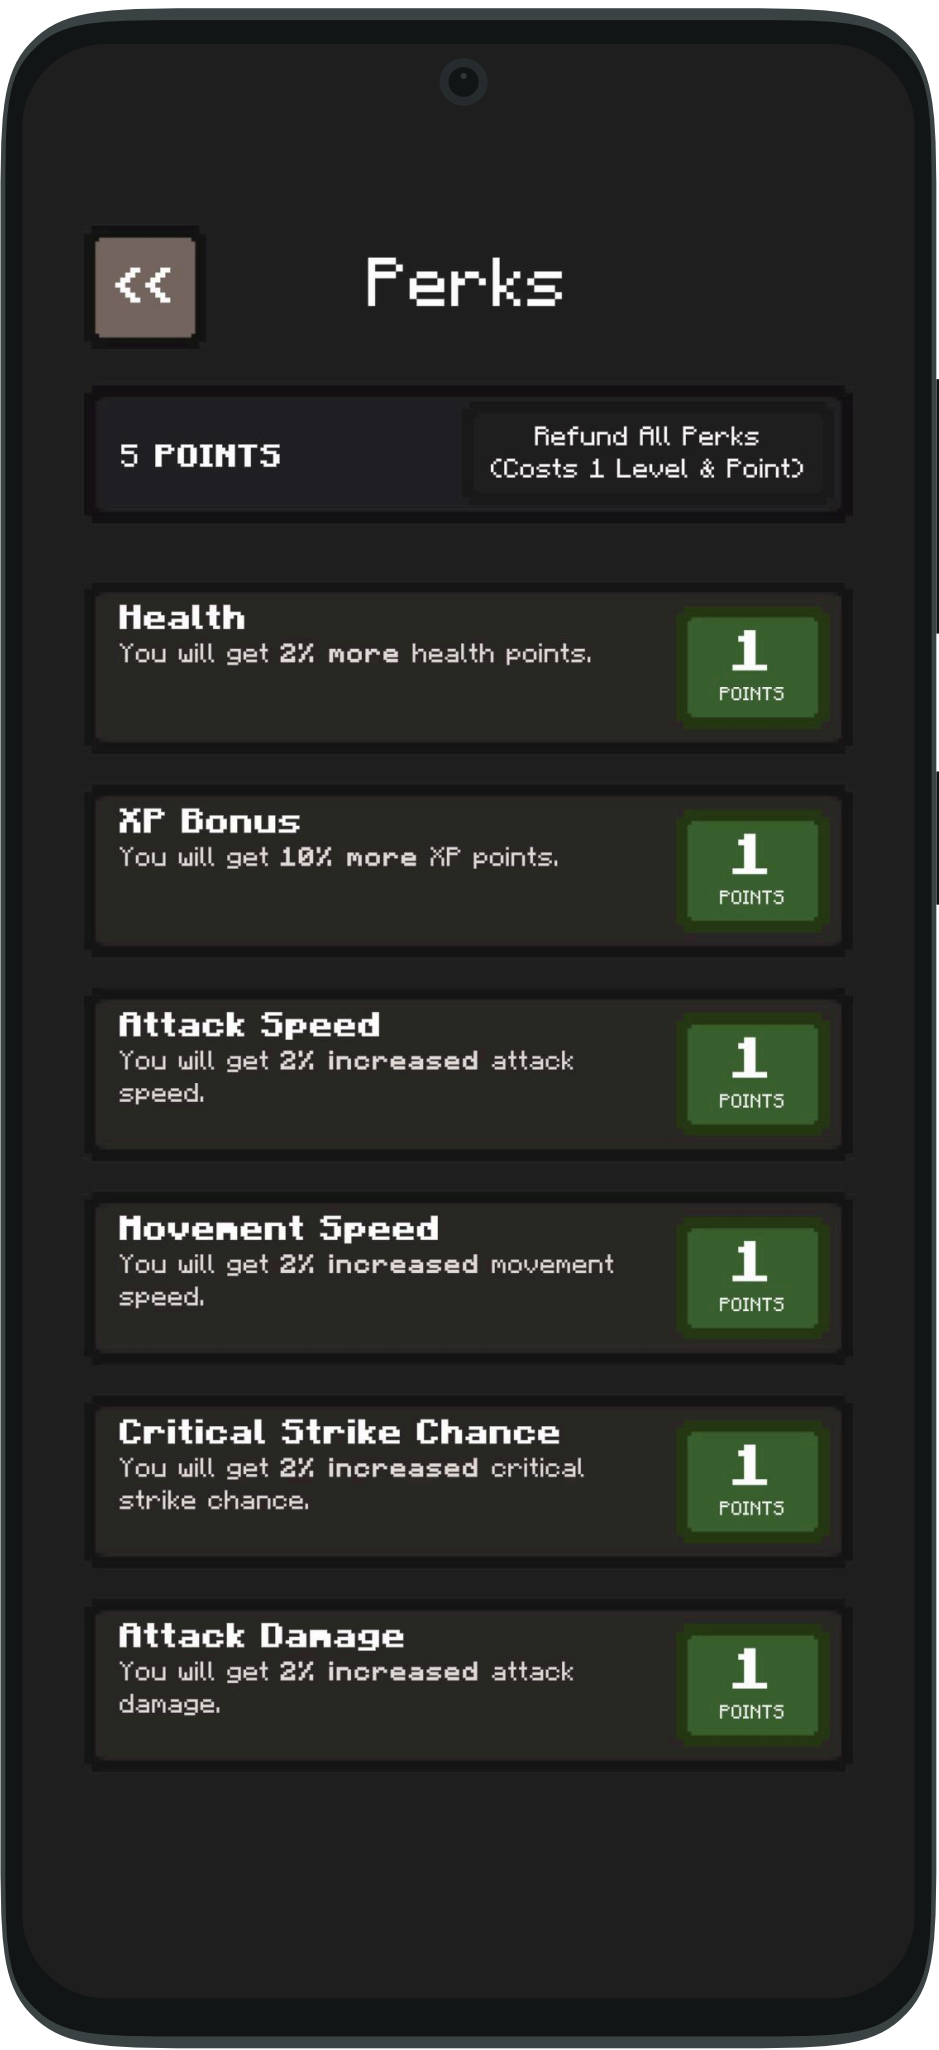

When you first open QS-Crawler, please enter your email.

The first game of the day gives you 100% XP bonus.

Metrics shows your health metrics from yesterday, and the effects it gives you in the game.

When leveling up, you gain points to spend on perks to gain advantage in the game.
